Who are we?

The **Siding Contractors Association of Alberta** is a non-profit construction trade association that is focused on improvement and advancement of the Siding Industry of Alberta. We currently have 42 member companies, throughout the province of Alberta, consisting of contractors, distributors, manufacturers and affiliates.

The **Siding Contractors Association of Alberta** is committed to assist it's members to be the contractors, suppliers, and manufacturers of choice by:

- ⇒ Setting professional standards for our members;
- ⇒ Providing continual learning and sharing opportunities; and
- ⇒ Representing our members on issues impacting our industry.

The **Siding Contractors Association of Alberta** holds monthly membership meetings for the North Region (north of Red Deer) in Edmonton and the South Region (Red Deer & south) in Calgary. Members are charged a nominal fee to attend the monthly meetings which include a meal, an informative guest speaker and our formal business meeting. We would invite you to attend one of our meetings, as our guest, by contacting the Association office.

Are you interested in joining the Association?

Please submit the enclosed membership application, along with a cheque for the appropriate membership fees to the Association office at P.O. Box 624, Didsbury, Alberta T0M 0W0. Your cheque will not be cashed until your application has been accepted by the Association.

Our annual membership fees are due each January and the membership year runs on a calendar basis. If you apply for membership after March of the calendar year, please contact the Association office at 403-335-0013 or toll free at 1-877-765-0013 as we may be able to pro-rate your membership dues for your first year.

Once your membership is approved you will be entitled to use the Association logo on your business cards, vehicles and other advertising materials.

The problems facing our industry today cannot be solved by one company alone, but by joining our Association, we can collectively work on resolving these problems.

Be part of a collective voice!

Even when other problems command my full attention, officers, directors and the Association keep working in my interest!

SCAA CODE OF ETHICS

SCAA members shall agree to comply with the standards and specification contained in The Alberta Building Code, The Association's Technical manuals where these are available, the National Building Code of Canada, as well as any other regulatory agency. They shall strive to make these codes the "minimum" standard by which their work and performance is measured.

They shall agree to uphold the ethics of the industry by dealing justly with their employees, subcontractors, customers, and fellow companies. They will, where possible and practical, loan crews or individual employees to fellow members and not indulge in "pirating" fellow member's employees. They shall cooperate to develop and extend the usefulness of the association, and to encourage the development of new materials, techniques, and procedures to better the quality of the products and services they offer. Members shall adhere to the concept of appropriate compensation for services rendered, and shall avoid all conduct or practice that is detrimental to our industry, the Association, or to the good name and reputation of its membership.

These ethical responsibilities are freely and deliberately assumed by the membership, as they form an integral part of our association. The membership shall recognize that the SCAA Ethics Committee will serve to monitor compliance with the letter and the spirit of the principles stated above. The Committee will have the full responsibility for determining violations, and recommending the appropriate response and sanctions to the President, The Board of Directors, and to the Membership.

*The SCAA, having a positive impact
on changes in the industry!*
